Certificate of Grateful Recognition

This A4 certificate will be sent to all participants at the end of June 2022, via email, enabling them to print, frame and keep it as a permanent reminder of the moment in history celebrated.

You may wish to print off extra copies, presenting them to those assisting you in this special tribute to Her Majesty The Queen.

Introduction

A warm welcome to all our fellow celebrators.

There is a long and unbroken tradition in our country of celebrating Royal Jubilees, Weddings and Coronations with the lighting of beacons - on top of mountains, church and cathedral towers, castle battlements, on town and village greens, country estates, parks and farms, along beaches and on cliff tops. In 1897, beacons were lit to celebrate Queen Victoria's Diamond Jubilee. In 1977, 2002 and 2012, beacons commemorated the Silver, Golden and Diamond Jubilees of The Queen, and in 2016 Her Majesty's 90th birthday.

On 2nd June 2022, we will celebrate another unique milestone in our history, Her Majesty The Queen's 70th year as our Monarch and Head of the Commonwealth - her Platinum Jubilee. It is a feat no previous monarch has achieved.

More than 2,022 beacons will be lit throughout the United Kingdom, Channel Islands, Isle of Man and UK Overseas Territories, and one in each of the capital cities of Commonwealth countries in recognition of The Queen's long and selfless service. The beacons will enable local communities, individuals and organisations to pay tribute to her as part of the official Platinum Jubilee Weekend of celebrations from 2nd to 5th June 2022.

There are four types of beacons being lit for this historic occasion:

- A free-standing beacon fuelled by bottle gas (see pages **16 & 17**).

- A beacon brazier with a metal shield. This could be built by local craftsmen/women or adopted as a project by a school or college (see page **18**).
- A bonfire beacon (see page **19**).
- Bishops Frome Strawman (see page **20**).

Communities with existing beacon braziers are encouraged to light these on the night.

If you wish to take part, you can register your participation by providing the information requested on page **15** under the heading, "How to take part," sending it direct to brunopeek@mac.com.

Town Criers

At **2pm** local time Town Criers are being invited to undertake the Proclamation (see page **11**) announcing the lighting of the beacons later that evening. **Pipers** - at **9.35pm** local time across the UK and the Commonwealth, individual pipers and pipe bands are being asked to play "Diu Regnare" from central locations of their choice from within their local communities as their personal tribute to Her Majesty The Queen. (This time will vary in each time zone across the world).

To officially announce the lighting of the beacons at **9.45pm** local time in the country they are in, we have had a unique Bugle Call written, entitled 'Majesty,' and would like to encourage Buglers and Cornet players to undertake this at **9.40pm** on the night from the individual beacon locations within local communities, adding another colourful element to this special tribute to Her Majesty the Queen by musicians from within local communities – (see page **14**).

"The Royal Scottish Pipers' Society are honoured to participate in our Patron The Queen's Platinum Jubilee Celebrations in June 2022.

Her Majesty's extraordinary service to this country is unparalleled. Accordingly, we encourage everyone to express their appreciation and gratitude by supporting this amazing Jubilee event," said Gordon Wallace, Hon. Pipe Major, Royal Scottish Pipers' Society.

Alan Hay, Chairman of The Royal Celtic Society whose Patron is Her Royal Highness The Princess Royal said, "Having for two hundred years been at the cutting edge of traditional music and language in Scotland, we recognise the enormous commitment Her Majesty The Queen, has made in serving the Commonwealth and its people. We are delighted therefore, to encourage all our members to participate in the Jubilee celebrations and our pipers to play Diu Regnare, composed by our member Stuart Liddell in honour of this historic event."

The National Piping Centre, whose Patron is His Royal Highness The Prince of Wales, is also delighted to be involved in The Queen's Platinum Jubilee Beacons, and will be encouraging

Northumbrian Piper Andrew Davidson.

pipers throughout the UK, Channel Islands, Isle of Man, and in the capital cities of the Commonwealth, to play this special tune five minutes before the beacons are lit that evening.

"The Royal Scottish Pipe Band Association would be delighted to support such an auspicious occasion and we will invite all our members to support this initiative as events like these help promote the long standing relationship the The Royal Scottish Pipe Band Association has with The Royal Family and we congratulate Her Majesty The Queen on her Platinum Jubilee," said Kevin Reilly, Chairman RSPBA.

"The Northumbrian piping community will be extremely thrilled and honoured to be involved in this tremendous project being organised to recognise The Queen's Platinum Jubilee," said Tom Fairfax - Trustee, Northumbrian Pipers' Society.

A Song for the Commonwealth

To coincide with the lighting of the Beacons, choirs of all types and sizes within local communities are warmly encouraged to sing this unique 'Song for the Commonwealth,' the winner of a Commonwealth-wide song competition organised over the last few months, filling the world with the sound of music and song in celebration of this special moment in The Queen's life. The song should be sung at exactly **9.45pm** local time in whichever country they are in, on 2nd June 2022. Please sign up your choir for what promises to be a wonderful opportunity, using this link: <https://www.commonwealthresounds.com/qpb/>

Grammy Award winning singer-songwriter Gregory Porter has kindly agreed to be the Principal Singer of 'A Life Lived with Grace' as part of The Queen's Platinum Jubilee Beacons for this unique moment on 2nd June 2022.

Gregory is delighted to be playing a role in this unique celebration of The Queen's 70 year reign in her life too. This is an amazing opportunity to sing the Song for the Commonwealth with the choirs as the Beacons are being lit through throughout the United Kingdom, Channel Islands, Isle of Man, UK Overseas Territories and the Commonwealth at 9.45pm on June 2nd 2022 (9.15pm in the Commonwealth)

Important: Choirs taking part do not necessarily have to be linked to the lighting of a beacon, it is the involvement of your choir representing your local community in this special aspect of The Queen's Platinum Jubilee Beacons, from a location of your choice that evening, that is the most important - "voices around the globe joining together in celebration."

"On behalf of the Military Wives Choirs, I am thrilled that we are to be a part of The Queen's Platinum Jubilee Beacons. Our network brings together over 70 choirs united through the power of singing, and we are looking forward to sharing in this momentous celebration. We are eagerly anticipating the specially written song for the Commonwealth and look forward to our network rehearsing across the UK and internationally. It is only appropriate that this unique milestone in history is marked with music, the strength of which is evident. Our passion for singing is clear and we are honoured to make these performances into a special event for Her Majesty The Queen's 70th year as our Monarch and Head of the Commonwealth on her Platinum Jubilee," said Melanie Nightingale, Director, Military Wives Choirs.

'I warmly encourage Christians and church choirs throughout the country to join in singing the 'Song for the Commonwealth' at 9.45pm on 2nd June 2022, as the Queen's Jubilee Beacons are lit throughout the United Kingdom, Channel Islands, Isle of Man and in each of the Capital Cities of the Commonwealth.'

This will be a moment of remarkable celebration, as we join together across different generations, denominations, faiths and communities all over the world in proper tribute to Her Majesty the Queen. My prayer is that this might be a chance to truly celebrate Her Majesty's historic 70 years of service to her country and the Commonwealth, reaching out in friendship, and building community as we are

reminded of our common bond under the Crown. May God watch over Her Majesty, may He bless her and her people, and may this wonderful celebration be an occasion to give thanks, both for the Queen and for the God of service and unity,' said The Most Revd Justin Welby, Archbishop of Canterbury.

Beacon Brazier, St Mary's Green, City of Ely, Cambridgeshire.

"The Church in Wales is delighted to be joining the tributes to her Majesty the Queen on the historic occasion of her platinum jubilee. We encourage church choirs of all faiths across Wales to join in singing the 'Song for the Commonwealth' at 9:45pm on the 2nd June 2022 as the jubilee beacons are lit across the United Kingdom and the capital cities of the Commonwealth.

This is a marvellous opportunity for disparate nations, communities, faiths and generations to join together in

common fellowship and thank Her Majesty for the 70 years of service and leadership she has given to millions across the world. Let us lift our voices as one to honour both our Queen and the God she has served with such faith and diligence," said The Right Reverend Andy John, Bishop of Bangor (Senior Bishop of the Church in Wales).

"On behalf of the Church of Scotland, I am delighted to welcome this opportunity to celebrate Her Majesty The Queen's remarkable reign, and the example of faithful service which she has given during the last 70 years. We will be encouraging our congregations across Scotland and beyond to take part in singing the 'Song For the Commonwealth' at 9.45pm on the 2 June next year, at the same time that the jubilee beacons are lit in Britain and throughout the Commonwealth. We also give thanks to God for her witness and for the faithfulness with which she has served the nation. We look forward to joining others throughout the world at a time when coming together as a community has never felt more important." Lord Wallace, Moderator of the General Assembly of the Church of Scotland.

"Churches Together in England encourages church choirs throughout England, from every tradition, to come together in local communities, joining where possible with other community choirs at 9.45pm on 2nd June 2022, to make the celebrations of Her Majesty the Queen's Platinum Jubilee truly memorable, and a fitting tribute to the dedication of her Majesty to the service of the nations of the United Kingdom and Commonwealth. This is an opportunity to join together ecumenically, and with the wider community, to make music, and build community. I hope that every choir in the land will find ways of embracing such a unique opportunity to make music together by singing the "Song for the Commonwealth," forming new friendships and deepening existing ones, in honour her Majesty and the God whom she serves with such faithfulness." Rev'd Dr Paul Goodliff, General Secretary, Churches Together in England.

"Churches Together in Britain and Ireland is delighted to support this initiative that encourages choirs across Great Britain and Northern Ireland to join together on the 2nd June 2022 as part of the celebrations

of Her Majesty the Queen's Platinum Jubilee to sing together the "Song of the Commonwealth". We hope many choirs will take part and we give thanks for the service that Her Majesty has given over many decades and continues to give." Dr Nicola Brady, General Secretary, Churches Together in Britain and Ireland.

"Battel Bonfire Boyes, (photo above) the world's oldest bonfire society, is delighted to be lighting a beacon in celebration of The Queen's Platinum Jubilee as part of this amazing tribute," said Matt Southam, press and publicity officer.

"Help for Heroes is honoured to salute Her Majesty, as we did in 2012, by taking part in the Queen's Platinum Jubilee Beacons. Wounded veterans and their families will proudly light the beacon at Dunnet Head, the

most northern point of the UK," said Melanie Waters, Chief Executive, Help for Heroes.

"Fram Farmers and its members throughout Great Britain are delighted and honoured to be participating in Her Majesty The Queen's Platinum Jubilee on 2nd

June 2022. Farms and country estates will be lighting beacons in tribute to Her Majesty the Queen, continuing a long and unbroken tradition of celebrating Royal Jubilees, Weddings and Coronations. This will be the last chain of Beacons lit during The Queen's reign, a unique occasion for us all to join the nation's tribute to her Majesty, and we would encourage all Farms and Estates to be part of this historic occasion."

Andrew Knowles, Chief Executive Officer.

The Queen's Platinum Jubilee Beacon Tart.

To celebrate this historic moment in The Queen's reign, we wanted to produce a special Tart made from produce from each of the four countries of the United Kingdom, that could be served either hot or cold at the individual Beacon locations, as well as those singing the Song for the Commonwealth from locations of their choice from within their local communities whether they were involved with a Beacon or not, so my friends from Country Women Country Wide have kindly devised a unique recipe for this Tart (see page 20), it's delicious.

"The RNLI are also thrilled to commit to the event by lighting a Beacon in each of their 6 lifesaving regions of the UK," said *Emily Foster, Bicentenary Campaign Manager RNLI.*

"The Royal Institution of Chartered Surveyors (RICS) is honoured to lead the lighting of the UK's Anchor Chain of beacons for our Patron's historic Platinum Jubilee. It is only fitting that this aspect of the beacons will be led by RICS Matrics, a key part of our organisation which supports many thousands

of young professionals in shaping their own future history and lasting legacy." *Sean Tompkins, CEO RICS.*

"The NFU is delighted to be supporting The Queen's Platinum Jubilee Beacons and will be encouraging our members

throughout England and Wales to light beacons as part of the celebration. From the uplands to the lowlands, our farmers will be lighting beacons on the most iconic parts of the countryside in tribute." *Minette Batters, President, NFU.*

Walking with the Wounded, one of our country's leading Forces charities, will light gas-fuelled beacons on top of the four highest peaks in the UK - Ben Nevis, Scotland; Scafell Pike, England; Mount Snowdon, Wales, and Slieve Donard, Northern Ireland, paying tribute to The Queen while raising valuable funds for the welfare of wounded service personnel.

Beacons will also be lit on The Queen's Sandringham and Balmoral Estates, at the Copper Horse statue of King George III in Windsor Great Park, Hillsborough Castle, Northern Ireland, and on the battlements of the Tower of London. In my home town of Great Yarmouth, Norfolk, the Borough Council will light its beacon brazier on the town's famous Golden Mile. One will also be lit outside the 17th century Tan Hill Inn in the Yorkshire Dales, the highest pub in Great Britain. English Heritage will light at least 17 beacons on heritage sites, and others will be lit in Enniskillen, County Fermanagh, Northern Ireland; Sark and Alderney in Channel Islands, St Davids, the most westerly City in Wales, and the Isle of Wight.

One Voice Wales, which has taken part in previous jubilee events, will be inviting member councils to light beacons, and Historic Houses will encourage member estates to participate too.

National Trust

"The National Trust is delighted to be playing an active role in The Queen's Platinum Jubilee Beacon lighting on 2nd June 2022, in celebration of this unique moment in The Queen's reign. We also took part in The Queen's Diamond and Golden Jubilee Beacons in June 2012 and 2002, as well as the First World War Centenary

Beacon lighting in 2018 and look forward to welcoming visitors to attend this special tribute to Her Majesty The Queen," said *Justin Albert, Regional Director for Wales.*

In a similar way to previous Royal Jubilees, the Army Cadet Force Association will be actively supporting this special occasion by lighting the National Sports Beacon at the start of the National Athletics Championships in Grantham, England, one of many others across the UK.

Dyfed & Glamorgan Army Cadet Force will light a beacon on top of Pen-y-Fan, the highest peak in South Wales, as part of a pan-Wales Army Cadets event to mark the Jubilee.

We are also pleased to confirm the involvement of Girlguiding throughout the UK, Channel Islands and the Isle of Man, with *Girlguiding Chief Guide Amander Medler*

saying, "I'm delighted that Girlguiding is supporting the lighting of Beacons to celebrate this very special Jubilee marking the 70-year reign of our Patron Her Majesty the Queen."

Beacons are being lit on some of our country's oldest estates, including Woburn Abbey, Highclere Castle, Cholmondeley Castle, Hatfield House, Belvoir Castle, Holkham Hall, Houghton Hall, Bolton Abbey, Blenheim Palace, Arundel Castle, Chatsworth, Wellington, Roxburgh and Badminton. Hadrian's Wall Partnership and its communities along the Wall are also involved and will be lighting celebration beacons.

The Right Honourable Lord McLoughlin CH, BTA Chairman said, "I would like to encourage every City, County, Borough, District, Regional, Community, Town and Parish Council throughout Great Britain to light a beacon in celebration of this unique moment in The Queen's life, and would ask all those taking part to go to page 15 of this Guide and register their involvement as soon as possible."

EYES ALONG THE COAST

"The National Coastwatch Institution is delighted to be part of this important tribute to Her Majesty The Queen, and will be encouraging all its 56 watch stations around the coast of England and Wales to take part in lighting beacons on the night," said Commander Lesley Suddes RN, Chairman NCI. Beacons will also be lit at Coastwatch Scotland's Irvine and St Monans stations by their groups of volunteers.

"The Chiddingfold Bonfire Association (photo right) consider it a great honour in using this opportunity to pay tribute to Her Majesty The Queen by lighting a beacon in celebration of her Platinum Jubilee on behalf of our wonderful village and community. Our tradition of lighting beacons for Her Majesty The Queen extends all the way back to her Coronation in 1953,

Silver, Golden and Diamond Jubilees and her 90th Birthday Beacons. The earliest known record of a beacon lighting in the village is for George V's Silver Jubilee of 1935," said Simon Manuel, Chairman of the Association.

TRINITY HOUSE

Captain Ian McNaught, Deputy Master of Trinity House, said, "I am pleased that we, at Trinity House, can support this event marking HM The Queen's Platinum Jubilee. By lighting beacons at lighthouses around our shores we will help make this a celebration to remember and also honour our long-standing involvement with Her Majesty and The Royal Family."

Great Britain & Ireland

"Rotary International Great Britain & Ireland are delighted to once again take part in Her Majesty's Platinum Jubilee Beacon Event as we were for the Diamond Jubilee, we look forward to clubs around Scotland, England, Ireland, Wales, The Channel Islands and the Isle of

Man taking an active role in this prestigious event," said David Ellis, Chairman of the Executive, Rotary International Great Britain & Ireland.

Councillor Sue Baxter, NALC chair, said: "The National Association of Local Councils (NALC) is delighted to be supporting The Queen's Platinum Jubilee Beacons, and will be encouraging local councils throughout England to light beacons as part of this celebration".

Mark Tufnell, President of the Country Land and Business Association, said: "It is difficult to imagine a greater public servant, in any country at any time, than Her Majesty The Queen. The platinum Jubilee provides an opportunity to celebrate The Queen's tireless work in the service of the United Kingdom and the Commonwealth.

"The long tradition of lighting beacons to celebrate Royal events is familiar to landowners across the country. I strongly encourage Country Land and Business Association members to join in the festivities, uniting their local communities in celebration and gratitude, by lighting a Beacon on 2nd June 2022."

"The Queen's Commonwealth Trust (QCT), which was launched in recognition of Her Majesty The Queen's lifetime of service to others and her love for the Commonwealth and its young people, is delighted to be involved in The Queen's Platinum Jubilee Beacons' project, with QCT young leaders lighting beacons across the 54 Commonwealth countries in recognition of Her Majesty The Queen's 70 years of service and her belief that young people across the Commonwealth are beacons of hope for our collective future," said Christopher Kelly, Chief Executive, The Queen's Commonwealth Trust.

We are being approached by organisations and communities who want to light a beacon to celebrate the Queen's Platinum Jubilee but, for various reasons are unable to do so, so have asked if they could participate with a sustainable Beacon instead.

For example, Tameside Hospital in Manchester, who will be lighting the official NHS beacon, have teamed up with their nearby further education college. Using broken and old hospital beds the welding and design apprentices are creating a unique framework, shaped like a crown, while the lighting and optics students will generate blue laser projections from the centre of the beacon to signify the distinct NHS colour. We are delighted therefore, that people are using innovative ways to take part in the beacon lighting, celebrating this wonderful occasion alongside traditional beacons.

As this will be the last chain of Beacons lit during The Queen's 70-year reign, we hope that individuals, local authorities, voluntary and youth groups, farming communities and others will join with the many organisations who have already agreed to take part in this special tribute to Her Majesty on 2nd June 2022. Let's make it the largest celebration of its kind the world has ever seen.

Some communities will wish to mark the Jubilee by lighting sustainable beacons. This could take the form of using light installations, to light up buildings or monuments. This new form of beacon lighting reflects the modern era. It highlights the range of creative ways for communities and individuals to take part in ceremonially lighting a beacon to mark The Queen's Jubilee.

THE SHARD

"As a beacon for modern London and Western Europe's tallest building, taking part in Her Majesty The Queen's Platinum Jubilee Beacons is only natural for The Shard. We will be featuring a special celebratory light show to shine across the Capital at 9.45pm on the 2nd of June, which will run every evening thereafter with the final display on Sunday 5th of June," said Michael Baker, CEO of Real Estate Management asset Manager of The Shard.

IMPORTANT: To enable us to register your involvement in this unique tribute to Her Majesty the Queen on 2nd June 2022, please go to page **15** of the Guide and provide the information requested in **Step 1**, sending it directly to brunopeek@mac.com asap, or by **no later than 30th May 2022**, allowing us to send you updated information in due course.

IN ADDITION: If you would like your beacon lighting event to feature on the interactive map on the government's Platinum Jubilee website, please also submit details at: www.platinumjubilee.gov.uk/event-submission

The Queen's Platinum Jubilee Beacons

A Proclamation

Oyez Oyez Oyez

*Today in our nation - and throughout the Commonwealth -
we are celebrating our glorious Queen's Platinum Jubilee.*

*Elizabeth - the second of that name -
our most beloved Sovereign and Head of the Commonwealth for seventy years.*

*How apt that this should be the Platinum anniversary of her accession -
Platinum - that most noble of metals,
more precious even than gold.*

*And so it is in honour of this unique occasion
that beacons will be lit this evening
throughout the United Kingdom,
the Channel Islands, the Isle of Man and the UK Overseas Territories -
and in all the Capital Cities of the Commonwealth.*

*Let it be known,
in proclaiming this tribute to Her Majesty the Queen on her Platinum Jubilee,
that we are one nation and one Commonwealth.*

Majesty

The playing of Majesty at 9.40pm to fanfare the lighting of the Beacons at 9.45pm

What an honour to be asked to pen a bugle call to fanfare the lighting of The Queen's Platinum Jubilee Beacons.

To think that it will be sounded right across the world, to mark this truly historic event makes me very proud indeed.

It can be played by a solo bugler/cornet/trumpet or at the end of the call there is an opportunity to join with friends to fill the last chord with harmonies.

Buglers of all ages and all abilities should not find it a difficult piece.

So, play it as the title suggests, with Majesty.

Ensure you have undertaken all the legal essentials and safety requirements on page **20** before lighting your beacon. Alert the emergency services, including the Fire Brigade, undertake any risk assessments required and ensure everyone involved is happy and familiar with your plans. (This is your responsibility as coordinator).

In the event of dry weather, high winds and a heightened wildfire risk on the day of the event, please carefully consider scaling back initial plans where appropriate.

Beacon lighting ceremony - 2nd June 2022

Please light your Beacon at 9.45pm.

The Beacon lighting ceremony should be undertaken as follows:

Step 2: Invite your Lord Lieutenant, Deputy Lieutenant, Lord Mayor, High Sheriff, High Steward, Lord Provost, Chairman or Leader of the Council to light your beacon at **9.45pm**. Alternatively, you may like to organise a competition in partnership with your local media, with the winner having the honour of lighting the beacon.

Step 3: You might consider having professional photographs taken during your event. Immediately after, please send no more than two high quality, copyright-free photographs to brunopeek@mac.com, including the name of the photographer, the beacon location, county, country and postcode, along with the name of the council or organisation.

Step 4: If appropriate, use social media channels - Twitter, Facebook etc - to promote your event. On Facebook, post photographs of your beacon lighting ceremony.

Step 5: Publicise your event. We will provide you with a Press Release template which you can localise, providing as much information as you wish regarding your event, but including your contact details. You can send this to your local media to enable them to get in touch with you direct.

Platinum Jubilee Gas-Fuelled Beacon

Bullfinch Gas Equipment

Gas-fuelled Beacon on a Church Tower.

The beacon's burner-head is in the shape of a globe, representing the countries of the Commonwealth, surrounded by a Crown. It is of lightweight construction and comes assembled and complete, with the exception of the gas cylinders, which must be purchased separately. One 47kg propane cylinder or 2 x 19kg cylinders are recommended to give a full flame for a good three quarters of an hour.

These cylinders can be purchased from Flogas Britain who have been supplying Liquefied Petroleum Gas for over 35 years. They have the largest national delivery network in the UK, and hold the Carbon Trust Standard and Royal Warrant. Contact them as soon as possible to avoid delays or

disappointment. Phone: **0800 574 574** or contact them via their website: www.flogas.co.uk. For their propane safety data sheet go to <https://www.flogas.co.uk/app/uploads/2-0-propane-cylinder-safety-sheet-v2-1-1.pdf>. The Gas Torch needed to light your beacon safely requires a 400g cylinder of propane with CGA600 fitting - Bullfinch No 1644 or Rothenberger or equivalent. Travis Perkins, Screwfix, Plumb Centers and some DIY stores should have these as stock items, or search online.

The Platinum Jubilee Gas-Fuelled Beacon Package contains:

- Burner unit with Crown & Platinum Jubilee insignia
- 2m high stand
- Ground anchor and rope for fixing the stand to the ground
- 10m hose with the regulator for connecting to the gas
- Gas torch for lighting
- Spanner
- Leak detecting fluid
- Hose assembly and Y manifold to link 2 cylinders
- Lighting and safety instructions

The above items are packed into 2 strong cartons. The tripod describes a circle area of about 1.32m diameter and the beacon has an extended height of about 2.15m.

The beacon is stable in the wind. It is supplied with a ground anchor and rope for securing to the ground if this is possible, or we would recommend the use of sandbags. Full instructions are

provided for this. The beacon must be supervised by two people at all times when lit and a fire extinguisher must always be available. It is important that supervision should be undertaken by those who are competent and it is essential that a lighting trial takes place before the event to ensure that everyone is fully trained and familiar with the operation. The price of a gas-fuelled Platinum Jubilee

Beacon is £490 plus VAT, including carriage to your door within UK mainland (Highlands and Islands excluded). There will be an extra charge for other areas.

Some of the benefits of this style of beacon are that it can be seen for miles once lit, is suitable for all manner of high and low locations, is easily collapsible and once used can be stored away for later use.

Platinum Jubilee Gas-Fuelled Beacon

21CC Group Ltd

The beacon will come ready for easy assembly, designed with a crown at the top and a special date plaque underside. The beacon will burn for approximately 1 hour using two 13kg standard propane gas cylinders, which are available from most gas stockists and petrol stations around the UK. The gas assembly is easily connected to the burner by a quick release fitting. The beacon is inherently stable; however, we recommend the use of anchors on soft ground or sandbags on hard ground for additional stability. Full set-up instructions are included within the pack and we recommend a trial set-up and lighting before the actual event to familiarise yourself with the set-up and operation. We have included two long-reach lighting sticks so that you can practice lighting the beacon in advance. We would also recommend that a fire extinguisher is available when lighting the beacon and whilst it is burning and that two people are always present.

The Platinum Jubilee Beacon package contains:

- Assembly, lighting and safety instructions
- 2m high stand and burner
- 10m hose with the regulator for connecting to the gas
- Two long-reach lighting sticks
- Spanner and leak detection fluid
- Hose and Y splitter manifold to link 2 cylinders
- No additional connections required - all you need is in the box

Beacon Price:

The price of our beacon is £490 + vat, including carriage within the UK mainland. An additional charge may be applied for other areas.

Ordering & Payment

To order your Platinum Jubilee beacon, please contact 21CC Group Ltd by phone; **0131 331 4509** or email our beacon team on beacons@21ccgroup.com. Additional information can be found on our website at www.21ccgroup.com/beacons. Payment can be made in all the usual ways including BACS, cheque and credit/debit card. Orders received before **29th April 2022** will be delivered by 31st May 2022. All orders after 29th April 2022 will be taken on a case by case basis and subject to stock availability.

The lighting of a gas-fuelled beacon at Edinburgh Castle, Scotland in celebration of Her Majesty The Queen's Diamond Jubilee in June 2012.

The Queen's Platinum Jubilee Beacon Brazier

Section A-A

Beacon Brazier with Metal Shield

A beacon brazier will provide a permanent reminder of this unique moment in The Queen's reign. It can be built by local craftsmen and women, and may be used for future historic occasions in your community. It could be sited in a country park, on a hilltop overlooking the sea or a lake, in the centre of your town or village, and could become a tourist attraction for your area.

Materials Required for Beacon Construction

Wooden centre post consisting of 305mm x 305mm wooden post, 6.25 metres in length of which 2 metres goes into the ground.

Basket and fixing brackets consisting of:

- 1 x 920mm diameter steel plate.
- 1 x 4,178mm long 60mm x 5mm steel flat bar rolled into 1,330mm diameter ring.
- 1 x 3,455mm long 60mm x 5mm steel flat bar rolled into 1,100mm diameter ring.
- 1 x 2,985mm long 60mm x 5mm steel flat bar rolled into 950mm diameter ring.
- 1 x 2,922mm long 150mm x 5mm steel flat bar rolled into 930mm diameter ring.
- 12 x (approx 1,250mm long) 60mm x 5mm vertical bars (rolled to shape).
- 1 x 310mm x 310mm x 300mm high connection box welded to base of basket.
- 1 x hanging shield and support: 3.7m length of 38mm diameter solid steel rod.
- 1 x 920mm x 760mm steel plate 3mm thick 4 x connection brackets 8mm thick (see detailed drawings left).
- 2 x pins and loops.

Bonfire Beacon

Locate the bonfire at least 60m away from buildings, roads, railways and public rights of way, and a safe distance from dangerous materials and overhead power lines. Ensure it has good access for the transportation of materials for the bonfire and sufficient space for spectators to stand upwind.

Obtain the landowner's permission and involvement.

Liaise with your local fire brigade and all emergency services in your area, presenting them with your plans, and seek their advice and support.

1 Prepare site by removing top layer of turf and stack away from fire area. Obtain seven poles, 5-6m in length. Attach four guy ropes to top of one pole and anchor as shown.

2 Erect remaining poles as shown, ensuring tops are secured in place.

3 Use either pallets or suitable lengths of timber, spreading them over ground area of beacon for a good through draught. Secure timber horizontally between poles as shown, preventing material placed over the framework from dropping through. Construct access tunnel to the middle of the beacon. Keep middle empty

until required. Always construct the bonfire so it collapses inwards as it burns.

4 Use only wood for combustible materials. Do not burn dangerous items such as foam-filled furniture, old tyres, aerosols or tins of paint. Build upwards until height of centre pole is reached. Materials around top should be loosely packed to allow air flow. Cover bonfire to keep it dry.

5 Fill centre with suitable, dry combustible materials. Check construction is stable and remove any unsuitable materials that may have been added. Look specifically for fireworks, aerosols, highly inflammable materials or containers with such materials.

6 Construct a safety barrier out of ropes and stakes or scaffold poles to ensure public is kept at a safe distance from the fire.

7 *In daylight, and for several hours, and up to lighting, check that there are no children or animals, such as hedgehogs etc playing or hiding in or round the bonfire. Arrange for at least 12 marshals to be in attendance, and undertake a sufficient safety briefing before lighting the beacon.*

8 The person looking after the fire should not wear lightweight clothing that could

ignite easily. They should wear a substantial outer garment of wool, or other material of low flammability, and stout boots. They should know what to do in the event of a burn injury, or a person's clothing catching fire, and should have a fire blanket ready in the bonfire area along with a number of fire extinguishers.

9 Lighting: the safest and recommended approach is to use paper and solid firelighters in six places just inside the walls of the beacon to ensure an even burn. Never use flammable liquids such as paraffin or petrol to get it going as this can result in uncontrolled spread of fire or explosion.

10 To light the beacon: from poles 2m in length, prepare hand torches for lighting with paraffin-soaked rags wired around one end. Remember, paraffin is dangerous and great care should be taken. Paraffin can be used as directed, but it is still dangerous and should at all times be treated with great care - for example, always ensure all excess paraffin is drained off rags before use. If spilt on your clothes during the preparation of your beacon lighting you should replace those items of clothing before approaching any naked flames. In particular, always remember to replace the lid on any container of unused paraffin and store it in a safe place away from naked flames. Do not use an accelerant on the fire itself.

Bishops Frome Strawman

How to build your Strawman Beacon

Obtain the landowners's permission and involvement then ensure you locate your Bishops Frome Strawman at least 60m away from buildings, roads, railways and public rights of way, and a safe distance from dangerous materials and overhead power lines. Ensure it has good access for the transportation of materials for the bonfire and sufficient space for spectators to stand upwind.

Liaise with your local fire brigade and all emergency services in your area, presenting them with your plans, and seek their advice and support. In the event of dry weather, high winds and a heightened wildfire risk on the day of the event, please carefully consider scaling back initial plans where appropriate.

1 Prepare site by removing top layer of turf and stack away from fire area.

2 Use only wood and straw for combustible materials and wrap steel banding around them all to hold the bales together while burning to stop them from falling away. Please dispose of the bands responsibly after the event.

3 Construct a safety barrier out of ropes and stakes or scaffold poles to ensure public is kept at a safe distance from the fire.

4 In daylight, and for several hours, and up to lighting, check that there are no children or animals playing or hiding in or round the Strawman. Arrange for at least 12 marshals to be in attendance, and undertake a sufficient safety briefing before lighting the Strawman.

5 The person looking after the fire should not wear lightweight clothing that could ignite easily. They should wear a substantial outer garment of wool, or other material of low flammability, and stout boots. They should know what to do in the event of a burn injury, or a person's clothing catching fire, and should have a fire blanket ready in the Strawman area along with a number of fire extinguishers.

6 Lighting: the safest and recommended approach is to use paper and solid firelighters in six places just inside the walls of the Bishops Frome Strawman to ensure an even burn. Never use flammable liquids such as paraffin or petrol to get it going as this can result in uncontrolled spread of fire or explosion.

7 To light the Strawman: from poles 2m in length, prepare hand torches for lighting with paraffin-soaked rags wired around one end. Remember, paraffin is dangerous and great care should be taken. Paraffin can be used as directed, but it is still dangerous and should at all times be treated with great care - for example, always ensure all excess paraffin is drained off rags before use. If spilt on your clothes during the preparation of your Strawman lighting you should replace those items of clothing before approaching any naked flames. In particular, always remember to replace the lid on any container of unused paraffin and store it in a safe place away from naked flames. Do not use an accelerant on the fire itself.

If you are inviting personal guests to your home it is worth checking with your household insurer that you are covered in the unfortunate circumstances that there should be an accident. If your event includes inviting the public, or it is a third party venue then, where applicable, the following advice should be heeded, to ensure you have a safe and enjoyable event for everyone involved.

Licensing

Generally, all public entertainment has to be licensed by the local authority. The law on this aims to ensure the safety of the public and performers. Local authorities treat each event individually, and what one will allow another will not. Do not be put off by the length of some of the forms - the licensing officer is there to help you.

The licensing officer's job is to advise the local authority's licensing committee on the granting of public entertainment licenses. For small scale events he or she, in effect, makes the decision. Only if your event is contentious will the licensing committee decide to consider the application in detail. Talk to the licensing officer as soon as possible. In Northern Ireland, if you plan to sell alcohol at an event, you will need to apply for an occasional liquor license from the Northern Ireland Court Service.

Insurance

Unfortunately, accidents can happen at even the best organised events. Therefore, you will need to consider and obtain insurance cover for your event, whether you are holding an event on your own premises or someone else's. beacon/bonfire events require specialist public liability cover. If you hire a park or venue or use land owned by a third party for your activity, they are likely to require you to have your own suitable insurance to cover your liability for any injury to the public or damage to other people's land or property.

Legal Essentials and Safety

If hiring equipment for the event, you may need to insure these items; you may also need to consider cover for loss of any financial outlay you incur if the event has to be cancelled for reasons beyond your control, or loss of money, particularly if you are holding a fund-raising event. Therefore, to help you obtain the appropriate insurance, and risk management advice, we are working closely with Unity Insurance Services, which is a specialist insurance broker in the voluntary and non-profit sector.

They have developed a range of bespoke insurance covers specifically for the Beacon/Bonfire events. Unity is owned by a charity and donates all its profits back to charity, so to obtain a quote or for more details or advice on the insurance cover you may need, please visit Unity's website or telephone them on 0345 040 7702.

Alternatively, the licensing officer may be able to direct you to a suitable specialist company or broker, but you should not try to source this kind of insurance from a non-specialist.

Emergency Services

Tell your local Fire and Rescue Service and Police Force well in advance about the type of event you are planning, and get in touch with your local community police officer. Ensure that access for emergency services is maintained for your event. Write to the local fire brigade and ambulance service, particularly if you are planning to have a beacon/bonfire, fireworks, or an event that will attract a large crowd. St John's Ambulance and the British Red Cross will provide first aid and sometimes a vehicle. In some areas they are simply happy to receive a donation. In others, expect a fee to be charged.

Food and Drink

Basic food hygiene guidelines should be followed at all times if you are providing food and drink. Caterers must have food hygiene certificates. Advice on this subject can be obtained from your local council environmental officer.

Alcohol

If you want to sell alcohol you will need to secure a licence. From February 2005, licenses are granted by the local authority rather than the Magistrates Court. You should therefore contact your local authority licensing section and seek information from them on how to apply. During 2005 all existing licenses have to be renewed and this will inevitably lead to long lead-in-times. Please apply as early as possible.

Site Clearance

The local authority will arrange for clearance and disposal of litter after your event if it is on public ground (check for possible charges). You can help this process by arranging litter bins or recycling bins around the site, and a crew to clear up throughout the event.

Hiring or Borrowing Equipment

Your local authorities, or local event organisers may be able to help you with contacts for supplies such as marquees, portable toilets, barriers and bunting, or may in some cases have these for you to hire and borrow. You may also need to consider generators, a public address system, and emergency flood lighting. If you need to arrange insurance for your hired equipment, Unity Insurance Services can arrange this for you too.

All Ability Access

Access for people with a disability is very important. Many local authorities run community transport schemes. Talk to them about arranging transport. On greenfield sites, access may be improved by cutting the grass before the event.

THE QUEEN'S PLATINUM JUBILEE BEACON TRAIL

5TH MAY - 2ND JUNE 2022

If your location is lighting a beacon anywhere in the world we also encourage you to take part in this specially designed augmented reality trail that will create buzz and awareness in the four-week run up to the lighting on the 2nd of June. The Queen's Platinum Jubilee Beacon Trail will take families on a free, whistlestop tour of Her Majesty's 70 years of service.

Families and friends in locations taking part will be able to visit seven venues around their village, town or city centre, learning about a different decade in The Queen's reign at each one. Players will learn about The Queen's part in modern history as well as engaging in a fun story with characters like Sir Barnaby Beacon. Along the trail they'll meet him and his friends from Buckingham Palace, and they'll be able to see and interact with them in augmented reality.

An example trail vinyl - actual printed vinyls may vary

How It Works for Players

To take part is very simple, players don't need to download an app or even register beforehand.

Step 1

Players go online to find the trail map and visit the venues in their location, in any order.

Step 3

A digital stamp will automatically pop up on their phone's browser and tell them about that decade in The Queen's reign.

Step 4

Players can then choose to see the character in AR. This means that the character will appear life-sized in the player's environment, leading to perfect selfie opportunities and yelps of joy from children!

Step 5

Once players have collected all seven of the digital stamps, they will be given information about where and when their local beacon will be lit, and encouraged to share this with their friends and family.

How it Works for Hosts

What We Do:

- Provide all the window vinyl artworks with QR codes
- Set up your trail on the collection platform and create your digital map
- Show your trail on a central bespoke website

See me in AR >>
Scan here from a smartphone

Step 2

When they visit a venue they simply find the window vinyl and scan its unique QR code.

- Run a large scale marketing campaign
- Give you a Marketing Toolkit, specially developed for the trail
- Send you a final report on user analytics

What You Do:

- Decide where you want to put up the seven trail vinyls within your area
- Give us the list so we can create your map
- Promote the event locally using the Marketing Toolkit

Cost

You can bring the trail to your location for four weeks for just £499, which includes the full artwork pack (delivered worldwide) and all digital setup and assets. This means that even if you also need to purchase one of the gas beacons, the whole event would cost under £1,000.

How to Take Part

We advise hosts to sign up as soon as possible to give adequate pre-marketing time but the deadline for applications is 7th April 2022.

To see more or to sign up as a host, please visit High Street Safari's website highstreetsafari.com/jubilee or contact the project director, Stephen Blackwell, at info@highstreetsafari.com

The Queen's Platinum Jubilee Beacon Tart

Ingredients representing all 4 nations of the UK
England: Cheddar Cheese Northern Ireland: Potatoes
Scotland: Smoked Salmon Wales: Leek

Average cost of ingredients per tart, between £3.75 & £5.00

The following quantities will serve TEN people.

Pastry

140 g (5 oz) plain flour
 35 g (1 ¼ oz) margarine
 35 g (1 ¼ oz) vegetable fat
 About 1 ½ tablespoons cold water

Or use ready-made shortcrust pastry

* 20 cm (8") loose-bottom flan tin
 * baking beans

Filling

100 g (4 oz) Smoked salmon (trimmings or chopped small)
 50 g (2 oz) leek
 100g (4 oz) cooked potatoes
 70g (2 ¾ oz) Cheddar cheese (grated)
 200 ml (7 fl oz) single cream
 2 large eggs (beaten)
 1 tablespoon fresh chopped parsley
 Black pepper
 Butter or oil

1. To make pastry - place flour in bowl add the fats and rub in lightly with fingertips until mixture resembles fine breadcrumbs. Add enough cold water to bind to a soft dough, knead briefly and shape in to a ball. Wrap and chill for 30 minutes.
2. Roll out the pastry and use to line the flan tin. Prick the bottom of the pastry with a fork. Line pastry shell with foil and fill with baking beans. Place tin on a heated baking tray and bake in preheated oven at 200°C Fan (Gas 7) for 10 minutes, remove foil and baking beans, return to the oven for a further 10 minutes.
3. Reduce oven temperature to 160°C Fan (Gas 4)
4. Scrub potatoes and place in a pan of lightly salted boiling water to cook for 15 minutes. Drain and allow to cool before removing the skin and then slicing thinly.

5. Finely chop leek. Heat a little butter or oil in a small frying pan, add chopped leek to the pan and cook over a low to moderate heat, stirring occasionally, for about 10 minutes until soft but not coloured - allow to cool.
6. Mix together cream, beaten eggs, chopped parsley and plenty of ground black pepper. Layer filling in pastry case; spread smoked salmon over base of tart followed by cooked leek and then 50 g (2 oz) grated cheese (keeping remaining 20g (¾ oz) to sprinkle on top). Top with thinly sliced cooked potatoes. Sprinkle remaining grated cheese over the top then gently pour cream and egg mixture in to the tart.
7. Bake in oven for 30 - 35 minutes until filling is set and golden. Serve cold.

NB These quantities also make 18 small tarts using 8cm (3 ¼") plain round cutter and lining patty tins. When making small tarts there is no need to blind bake the cases first. Bake small tarts at 160°C Fan (Gas 4) for about 30 minutes until filling is set and golden.

Guide to serving

A construction of seven Platinum Jubilee Beacon Tarts as shown below will serve 70 guests.
 Each tart represents a Decade of Her Majesty's reign.
 Each slice represents a Year of Her Majesty's reign.
 You will need: 7 x 8" freshly made Platinum Jubilee Beacon Tarts
 7 x 8" x 0.5" silver (platinum) cake boards

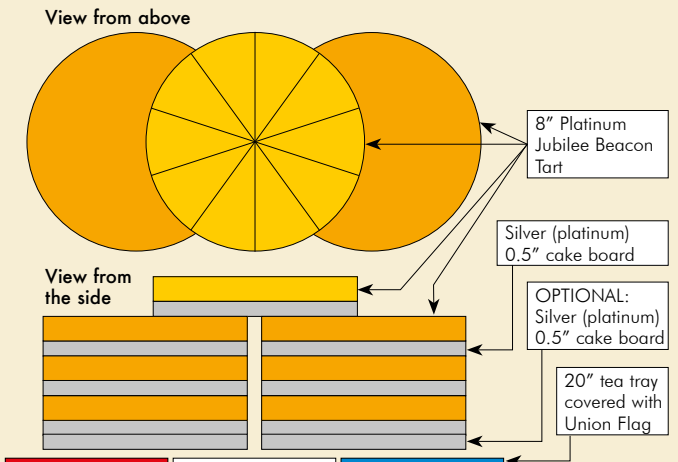

1 x 20" tea tray

2 or 3 x Union Flag napkins

Optional: 2 additional silver (platinum) cake boards if greater elevation is required

Additional napkins to hand to guests with their slice of tart

Create two stacks of 3 x 8" tarts, each on a silver (platinum) cake board, and place side by side on a 20" rectangular tray covered with Union Flag napkins. Place a further tart centrally on top (7 tarts in total).

The above produces a 6" high stack of tarts. If further elevation is needed an additional cake board could be placed under each stack of 3 tarts.

Once the top tart has been ceremonially cut, remove it from the stack and set to one side to cut into ten slices. This will avoid crushing the tarts underneath. Carry out the same process for each subsequent tart, remembering to remove each one from the stack before cutting into ten. The slices can then be handed round to guests from their individual boards accompanied by napkins if desired.

Commonwealth Resounds are thrilled and extremely grateful to The National Lottery Community Fund, the largest funder of community activity in the UK, for offering their financial assistance. Thanks to National Lottery players we will be able to help and support UK choirs and musical organisations involved in the Song for the Commonwealth.

We are also very grateful to the Royal Society of St George for offering some financial assistance to help support international choirs involved in the Song for the Commonwealth.

Girlguiding

"I am delighted that Girlguiding is supporting and taking part in the lighting of Beacons to celebrate this very special Jubilee marking the 70-year reign of our Patron Her Majesty The Queen."

Amanda Medler, Chief Guide.

In 1937, Princess Mary signed up the 11-year old Princess Elizabeth (far right) as a Girl Guide and her younger sister, Margaret (far left) was signed up as a Brownie, according to British newspaper, The Telegraph. Their mother joined the Guides too, becoming Patron of the Girl Guides.

"Our Scouts are incredibly proud to be taking part in the Queen's Platinum Jubilee Beacon lighting on 2 June 2022. Right across the UK, our groups will be lighting at least 70 beacons, one for each year of The Queen's reign as our Monarch and Patron. HM The Queen is a shining light for young people, helping them gain skills for life. Her outstanding example of service, dedication and kindness have inspired generations."

Enniskillen, Northern Ireland

The historic island-town of Enniskillen in Northern Ireland's picturesque Fermanagh Lakeland is the most westerly community in the UK participating in The Queen's Platinum Jubilee Beacons and its associated activities on Thursday 2nd June. The Very Rev. Kenneth R.J. Hall, Dean of the Diocese of Clogher, has invited the County Fermanagh Section, Royal Scottish Pipe Band Association, Northern Ireland Branch to be part of the cross-community Service of Thanksgiving and Beacon Lighting at St. Macartin's Cathedral, which will celebrate the Queen's Platinum Jubilee during its quadricentennial year.

Proceedings will commence at 2pm with an official proclamation by Toastmaster Gary Wilson at The Diamond, Enniskillen.

Well over 100 pipers and musicians from 18 local pipe bands and further afield will play 'Diu Regnare', their collective and personal tribute to Her Majesty the Queen at 9.35pm that evening in advance of the Beacons being lit at 9.45pm. This is a unique tune, specially written for The Queen's Platinum Jubilee Beacons by 2020 Glenfiddich Champion piper Stuart Liddell, Pipe Major of the World's leading pipe band, Inveraray and District.

The Bugle Call 'Majesty' will be played two minutes before the lighting of the Beacon in the grounds of the Cathedral, overlooking the town. The unique Bugle Call has been especially written by Bugler Sjt A.W. Carlisle, Hillsborough Fort Guard, Northern Ireland and will be played at many other Beacon locations throughout the UK just before the Beacons are lit that evening too. After the beacon is lit, to the sound of skyrockets exploding and bells pealing, the Cathedral Choir will sing the 'Song for the Commonwealth'.

The massed bands will parade from Church Street to Enniskillen Castle, where the iconic

lakeside stronghold will be bathed in purple lighting by Fermanagh & Omagh District Council to commemorate the special occasion.

The Rotary Club of Enniskillen will host the lighting of a beacon on the Castle walls. Twelve more beacons along the shore of Lough Erne will be lit by young folk who have been an inspiration to others within their community.

Fermanagh Scouts (Scouts NI) will light a beacon on Topped Mountain, overlooking Enniskillen accompanied by a Piper and Bugler.

Two vivid beams of light will project into the night sky above the Castle, the 'crossing of lights' poignantly symbolising the Queen's historic visit to St Macartin's Church of Ireland Cathedral in 2012 for a service of thanksgiving to mark her Diamond Jubilee. Queen Elizabeth II was the first English Monarch to visit St Macartin's Cathedral, which was built almost 400 years earlier under the reign of King James I. Following that service, the Queen crossed the street to St. Michael's Roman Catholic Church to greet cross-community representatives.

Her Majesty's first visit to County Fermanagh was as a young Princess on the 20th of March 1946.

This painting by artist Hector McDonnell depicts the moment that the Queen crossed the street to visit St. Michael's Church after attending St. Macartin's Cathedral for the Diamond Jubilee Service in 2012. (Courtesy Monsignor Peter O'Reilly, St Michael's Church).

The Viscount Brookeborough KG Her Majesty's Lord Lieutenant for County Fermanagh.

"People throughout the Commonwealth and further afield will celebrate Queen Elizabeth's Platinum Jubilee and reflect on what her reign has meant to them. We, in Co Fermanagh, especially remember Her Majesty's visit in 2012 when she walked across the street from St Macartin's Church of Ireland Cathedral to St Michael's Roman Catholic Church and also her triumphant State Visit to The Republic of Ireland during the previous year. These two events have brought our divided communities closer together more than anything else that has taken place in the last 100 years. This Platinum celebration will be another important milestone for the cross community relations in our country and we are delighted to be lighting Beacons as part of it, bringing people together at one moment in time, celebrating this historic milestone in The Queen's life and in her reign too."

PLAYING OF DIU REGNARE

(Written by Pipe Major Stuart Liddell, Glenfiddich Champion Piper)

McCallum Bagpipes are delighted to support The Queen's Platinum Jubilee Beacons and in particular, the playing of Diu Regnare kindly written for this historic occasion by Pipe Major Stuart Liddell. Such an important milestone in The Queen's reign is of immense importance.

We are also pleased to supply a unique set of McCallum's MacRae SL4 Bagpipes by Stuart Liddell, complete with bag and maintenance kit, fully inscribed, for the piper that undertakes the playing of this unique tune from the most unusual location, at 9.09pm local time in the country they are in on 2nd June 2022, as part of this unique celebration.

SCOTLAND

Councillor David Coleman & Bugler Mr Michael Hunter (Fife)
 Bob Kidd – Town Crier (Forfar East & Old Parish Church, Forfar, Angus)

Stephen Clarke, Town Crier of NSW Central Coast, Australia, plays a fanfare on a Bugle before undertaking a Proclamation. This is most significant because at the top of the Gosford Coat of Arms there is a Cockrel standing on the bugle. Gosford is the capital of the NSW Central Coast and Stephen has been the official Town Crier there since 1990.

A Song for The Commonwealth

A Life Lived with Grace

The competition was launched Commonwealth-wide on June 2nd 2021. We were delighted to receive so many excellent, meaningful entries from lyricists and composers throughout the Commonwealth. Every single piece of work has been carefully read or listened to before choosing the winner.

Sincere thanks also to H.E. Baroness Scotland Q.C, Secretary-General of the Commonwealth, Judith Weir CBE, Master of the Queen's Music, Bruno Peek LVO OBE OPR, Pageantmaster of The Queen's Platinum Jubilee Beacons who came up with the concept for The Song for the Commonwealth linked to the lighting of the Beacons on 2nd June 2022, Roderick Williams OBE, Baritone, Graham Trew MVO, Dr Anne Gallagher AO, Director-General of the Commonwealth Foundation and Stephen Miles GRSM FGMS who adjudicated the different stages of the competition with such skill and care.

The competition has been organised by Commonwealth Resounds under the excellent and dedicated leadership of Alison Cox OBE, Founder and Chairman of this organisation - www.commonwealthresounds.com.

The overall winners are Atueyi Vincent Chinemelu (composer) from Nigeria and Lucy Kiely (lyricist) from Australia.

The song is called 'A Life Lived with Grace'

It will be available via the link below from January 2nd 2022 for all choirs to download and learn
<https://www.commonwealthresounds.com/qpij/Choirs> - please use this link to SIGN UP AND REGISTER to take part in this exciting event!

WINNER Atueyi Vincent Chinemelu - Nigeria

BIOGRAPHY

Atueyi is a 38-year-old academic musician from Anambra State in Nigeria. He is a multi-instrumentalist who plays the piano, flute, cello, trumpet, alto-sax and guitar and in 2021 he received the Department Award of Excellence from the University of Uyo, Nigeria after studying there for 5 years. Ordained as a Roman Catholic Priest in 2011 after his Theological studies, Atueyi is credited with over a hundred religious, art and secular vocal music compositions, 30 piano works, arranged and composed orchestral pieces and musical solos. Presently, he has returned to the St. Dominic Savio Seminary in Akpu, Nigeria as Music Director again whilst preparing to further his studies in music to Master and Doctorate levels.

STATEMENT

"My joy rests on the fact that my humble effort has led to a gigantically bountiful harvest. I am so glad that my little song has attained a universal relevance and will cement the love and bond shared by all the peoples of the world as the song is sung as the Beacons are lit throughout the UK and the Commonwealth in celebration of The Queen's Platinum Jubilee on 2nd June 2022. I am happy that through our song, with the lyrics written by my friend Lucy Kiely, the love, peace and harmony promoted by the Commonwealth of Nations through their involvement in The Queen's Platinum Jubilee Beacons will become indelible in our minds and more real in our lives."

WINNER Lucy Kiely - Australia

BIOGRAPHY

Lucy Kiely is a 30-year-old singer songwriter from Sydney, Australia with a passion for jazz. After graduating from the University of Sydney, Lucy wrote, recorded and independently released two EPs and one LP of all original material inspired by her travels and life experiences. Lucy's releases have enjoyed worldwide exposure across a variety of platforms. These days Lucy performs regularly as a vocalist, is writing her second full-length album and is currently a semi-finalist across nine different categories in the 2021 UK Songwriting Contest.

STATEMENT

"To be selected as the winning lyricist on the unique occasion of The Queen's Platinum Jubilee is a once-in-a-lifetime honour and I extend my heartfelt congratulations to the winning composer. I am thrilled that my lyrics 'A Life Lived With Grace' will be performed by choirs and community singers as the Beacons are lit throughout the United Kingdom and the Commonwealth on 2nd June 2022, in celebration of Her Majesty The Queen's extraordinary 70-year reign."

A Song for The Commonwealth

A Life Lived with Grace

Many thanks to all the talented writers and composers from around the Commonwealth who submitted lyrics and music for The Queen's Platinum Jubilee Beacons Song for the Commonwealth Competition. We had an amazing response and received a large number of wonderful, heartfelt entries.

Bruno Peek LVO OBE OPR – Pageantmaster, The Queen's Platinum Jubilee Beacons

Alison Cox OBE – Founder and Chair of Trustees – The Commonwealth Resounds

Special congratulations to the following people:
